SECTION II - INSTRUCTIONS TO TENDERERS

2.1 Eligible Tenderers

- 2.1.1 This Invitation for Tenders is open to all eligible tenderers.
- 2.1.2 The procuring entity's employees, committee members, board members and their relative (spouse and children) are not eligible to participate in the tender.
- 2.1.3 Tenderers shall provide the qualification information statement that the tenderer (including all members of a joint venture and subcontractors) is not associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Procuring entity to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods under this Invitation for tenders.
- 2.1.4 Tenderers involved in corrupt or fraudulent practices or debarred from participating in public procurement shall not be eligible.

2.2 Eligible Goods

- 2.2.1 All goods to be supplied and delivered under the contract shall have their origin in eligible source countries.
- 2.2.2 For purposes of this clause, "origin" means the place where the goods(s) are produced. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially-recognized product results that is substantially different in basic characteristics or in purpose or utility from its components
- 2.2.3 The origin of goods is distinct from the nationality of the tenderer and shall be treated thus in the evaluation of the tender.

2.3 Cost of Tendering

- 2.3.1 The Tenderer shall bear all costs associated with the preparation and submission of its tender, and the procuring entity, will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tendering process.

2.4. Contents of Tender Document

- 2.4.1 The tender document comprises the documents listed below and addenda issued in accordance with clause 2.6 of these instructions to tenderers
 - (i) Invitation to Tender
 - (ii) Instructions to Tenderers
 - (iii) General Conditions of Contract
 - (iv) Special Conditions of Contract
 - (v) Technical Specifications
 - (vi) Price Schedule
 - (vii) Form of Tender
 - (viii) Tender Securing Declaration Form
 - (ix) Contract Form
- 2.4.2 The Tenderer is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the tender documents or to submit a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

2.5 Clarification of Tender Documents

2.5.1 A prospective tenderer making inquiries of the tender documents may notify the Procuring Entity via the email address indicated in the invitation for tenders. The Procuring entity will respond to any request for clarification of the tender documents, which it receives not later than seven (7) days prior to the deadline for the submission of tenders, prescribed by the procuring entity. Copies of the Procuring entities response (including an explanation of the query but without identifying the source of inquiry) will be sent to all prospective tenderers who have provided their emails and also be uploaded on NHC Website.

2.6 Amendment of Tender Documents

2.6.1 At any time prior to the deadline for submission of tender, the procuring entity, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender documents by issuing an addendum.

2.6.2 All prospective tenderers that have obtained the tender documents will be notified of the amendment via emails and will also be uploaded on NHC Website.

2.6.3 In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tenders, the Procuring entity, at its discretion, may extend the deadline for the submission of tenders.

2.7 Language of Tender

2.7.1 The tender prepared by the tenderer, as well as all correspondence and documents relating to the tender exchange by the tenderer and the Procuring entity, shall be written in English language. Any printed literature furnished by the tenderer may be written in another language provided they are accompanied by an accurate English translation of the relevant passages in which case, for purposes of interpretation of the tender, the English translation shall govern.

2.8 Tender Prices

2.8.1 The tenderer shall indicate on the Price Schedule the unit price and total price of the goods to be supplied under the contract.

2.9 Tender Currencies

Prices shall be quoted in **Kenya Shillings only**.

2.10 Tender Securing Declaration

2.10.1 The tenderer shall fill, as part of its tender, a tender securing declaration form.

2.11 Validity of Tenders

2.11.1 Tenderers shall remain valid for **120 days** after date of tender closing/opening. A tender valid for a shorter period shall be rejected by the Procuring entity as non-responsive.

2.11.2 In exceptional circumstances, the Procuring entity may extend the tender validity period. A tenderer granting the request shall not be required nor permitted to modify its tender.

2.12 Format and Signing of Tender

2.12.1 The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

2.13 Submission of Sample for Testing

- 2.13.1 The successful tenderer(s) will be required to submit a sample of Galvanized Steel Wire (**at least 3 Meters**) within seven days after Notification of intention to enter into a contract in accordance with Section 87 of the Public Procurement and Asset Disposal Act 2015. Failure to adhere to this condition will render the bidder automatically disqualified.
- 2.13.2 All samples, once submitted become the property of the Procuring entity and shall not be returned, even if the submitting tender is not awarded the tender.

2.14 Deadline for Submission of Tenders

- 2.14.1 Duly completed bid documents are to be enclosed in plain sealed envelopes, marked with the "**Tender Number**" and "**Tender Description**" and be addressed to;
- The Managing Director,
National Housing Corporation,
P. O. Box 30257-00100,
NAIROBI- KENYA
- and must be received in the tender box at NHC House, Ground Floor during normal working hours on or before **27th January 2021 at 11.00 A.M**
- 2.14.2 The Procuring entity may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents, in which case all rights and obligations of the Procuring entity and candidates previously subject to the deadline will therefore be subject to the deadline as extended.

2.14 Modification and Withdrawal of Tenders

- 2.14.1 The tenderer may modify or withdraw its tender after the tender's submission, provided that written notice of the modification, including substitution or withdrawal of the tenders, is received by the Procuring entity prior to the deadline prescribed for submission of tenders via email address: **info@nhckenya.co.ke**.
- 2.14.2 No tender may be modified after the deadline for submission of tenders.

2.15 Opening of Tenders

- 2.15.1 The Procuring entity will open all tenders in the presence of tenderers' representatives who choose to attend, **27th January 2021 at 11.00 A.M** in the Conference Room 10th Floor. The tenderers' representatives who are present shall sign a tender opening register evidencing their attendance.
- 2.15.2 The tenderers' names, tender modifications or withdrawals, tender prices and discounts will be announced at the opening.
- 2.15.3 The Procuring entity will prepare minutes of the tender opening.

2.16 Clarification of Tenders

- 2.16.1 To assist in the examination, evaluation and comparison of tenders the Procuring entity may, at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance of the tender shall be sought, offered, or permitted.
- 2.16.2 Any effort by the tenderer to influence the Procuring entity in the Procuring entity's tender evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers' tender.

2.17 Preliminary Examination and Responsiveness

- 2.17.1 The Procuring entity will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the tenders are generally in order.
- 2.17.2 Arithmetical errors will be computed on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail. If there is a discrepancy between words and figures the amount in words will prevail.
- 2.17.3 The Procuring entity may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.
- 2.17.4 Prior to the detailed evaluation the Procuring Entity will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one, which conforms to all the terms and conditions of the tender documents without material deviations. The Procuring entity's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.
- 2.17.5 If a tender is not substantially responsive, it will be rejected by the Procuring entity and may not subsequently be made responsive by the tenderer by correction of the non conformity.

2.18 Conversion to Single Currency

- 2.18.1 The prices must be in **Kenya Shillings only**.

2.19 Evaluation and Comparison of Tenders

- 2.19.1 The Procuring entity will evaluate and compare the tenders which have been determined to be substantially responsive.
- 2.19.2 The tender evaluation committee shall evaluate the tender within 30 days of the validity period from the date of opening the tender.

2.20 Contacting the Procuring Entity

- 2.20.1 Tenderer shall contact the Procuring entity on any matter related to its tender, from the time of the tender opening to the time the contract is awarded.
- 2.20.2 Any effort by a tenderer to influence the Procuring entity in its decisions on tender, evaluation, tender comparison, or contract award may result in the rejection of the Tenderer's tender.

2.21 Award of Contract

(a) Post-Qualification

- 2.21.1 The Procuring entity will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.
- 2.21.2 The determination will take into account the tenderer financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer's well as such other information as the Procuring entity deems necessary and appropriate.

2.21.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the Procuring entity will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

(b) Award Criteria

2.21.4 The Procuring entity will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

2.21.5 To qualify for contract awards, the tenderer shall have the following:

- a) Necessary qualifications, capability experience, services, goods and facilities to provide what is being procured.
- b) Legal capacity to enter into a contract for procurement
- c) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing.
- d) Shall not be debarred from participating in public procurement.

(c) Procuring Entity's Right to accept or Reject any or All Tenders

2.21.6 The Procuring entity reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderer of the grounds for the procuring entity's action.

2.21.7 The procuring entity may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.

2.21.8 A tenderer who gives false information in the tender document about his qualification or who refuses to enter into a contract after notification of contract award shall be considered for debarment from participating in future public procurement.

2.22 Notification of Award

2.22.1 Prior to the expiration of the period of tender validity, the Procuring entity will notify the successful tenderer(s) in writing that its tender has been accepted. Simultaneous other tenderers shall be notified that their tenders have not been successful.

2.23 Award and Signing of Contract

2.23.1 Within seven (7) days of receipt of the notification of award, the successful tenderer shall accept the award which will be the basis of generating a letter of award.

2.24 Corrupt or Fraudulent Practices

2.24.1 The procuring entity requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. A tenderer shall sign a declaration that he has and will not be involved in corrupt or fraudulent practices.

2.24.2 The Procuring entity will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

2.24.3 Further a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public Procurement in Kenya.

SECTION III-GENERAL CONDITIONS OF CONTRACT (GCC)

3.1 Definitions

3.1.1 In this Contract, the following terms shall be interpreted as indicated:-

- (a) "The Contract" means the agreement entered into between the Procuring entity and the tenderer, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- (b) "The Contract Price" means the price payable to the tenderer under the Contract for the full and proper performance of its contractual obligations
- (c) "The Goods" means all of the goods, machinery, and/or other materials, which the tenderer is required to supply to the Procuring entity under the Contract.
- (d) "The Procuring entity" means the organization purchasing the Goods under this Contract.
- (e) "The Tenderer" means the individual or firm supplying the Goods under this Contract.

3.2 Application

3.2.1 These General Conditions shall apply in all Contracts made by the Procuring entity for the procurement of goods to the extent that they are not superseded by provisions of other part of contract.

3.3 Country of Origin

3.3.1 For purposes of this clause, "Origin" means the place where the Goods were manufactured or produced.

3.3.1 The origin of Goods and Services is distinct from the nationality of the tenderer and will be treated thus in the evaluation of the tender.

3.4 Standards

3.4.1 The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications.

3.5 Use of Contract Documents and Information

3.5.1 The Candidate shall not, without the Procuring entity's prior written consent, disclose the Contract, or any provision therefore, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Procuring entity in connection therewith, to any person other than a person employed by the tenderer in the performance of the Contract.

3.5.2 The tenderer shall not, without the Procuring entity's prior written consent, make use of any document or information enumerated above

3.5.3 Any document, other than the Contract itself, enumerated above shall remain the property of the Procuring entity and shall be returned (all copies) to the Procuring entity on completion of the Tenderer's performance under the Contract if so required by the Procuring entity

3.6 Patent Rights

3.6.1 The tenderer shall indemnify the Procuring entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof in the Procuring entity's country

3.7 Inspection and Tests

3.7.1 The Corporation will test materials delivered to ensure conformance to specifications before effecting payments. Any non-conforming deliveries will be rejected at owners cost.

3.8 Packing

3.8.1 The tenderer shall provide such packing and packaging of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract.

3.8.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract

3.9 Delivery

3.9.1 The delivery of any consignment shall be within the period specified in the Price Schedule under Section VII. Failure to deliver the consignment within the specified period or timelines will attract Liquidated Damages calculated at the rate of **KShs.3,000.00 (Three Thousand Only) per day.**

3.10 Insurance

3.10.1 The goods supplied under the Contract shall be fully insured against loss or damage incidental to manufacturer or acquisition, transportation, storage, and delivery in the manner specified in the Special conditions of contract.

3.11 Payment

3.11.1 The method and conditions of payment to be made to the tenderer under this Contract shall be specified in Special Conditions of Contract

3.12 Prices

3.12.1 Prices charged by the tenderer for goods delivered under the Contract shall not, with the exception of any price adjustments authorized in Special Conditions of Contract, vary from the prices by the tenderer in its tender.

3.12.2 Contract price variations shall not be allowed for contracts not exceeding one year (12 months)

3.12.3 Where variation is approved, the quantity variation for goods and services shall not exceed fifteen per cent of the original contract quantity;

3.12.4 Where variation is approved, the quantity variation of works shall not exceed twenty per cent of the original contract quantity;

3.12.5 The price or quantity variation is to be executed within the period of the contract; and

3.12.6 The cumulative value of all contract variations shall not result in an increment of the total contract price by more than twenty five per cent of the original contract price.

3.12.7 Price variation requests shall be processed by the procuring entity within 30 days of receiving the request.

3.13 Assignment

The tenderer shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Procuring entity's prior written consent

3.14. Termination for Default

3.14.1 The Procuring entity may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the tenderer, terminate this Contract in whole or in part

- (a) if the tenderer fails to deliver any or all of the goods within the periods specified in the Contract, or within any extension thereof granted by the Procuring entity
- (b) if the tenderer fails to perform any other obligation(s) under the Contract
- (c) if the tenderer, in the judgment of the Procuring entity has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

3.14.2 In the event the Procuring entity terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, goods similar to those undelivered, and the tenderer shall be liable to the Procuring entity for any excess costs for such similar goods.

3.15. Liquidated Damages

3.15.1 If the tenderer fails to deliver any or all of the items within the period(s) specified in the contract, the procuring entity shall, without prejudice to its other remedies under the contract, deduct from the contract prices liquidated damages sum equivalent to **Kshs.3,000 per day**.

3.16. Resolution of Disputes

3.16.1 The procuring entity and the tenderer shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the contract

3.16.2 If, after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms specified in the SCC.

3.17. Language and Law

3.17.1 The language of the contract and the law governing the contract shall be English language and the Laws of Kenya respectively.

3.18. Force Majeure

3.18.1 The Tenderer shall not be liable for default if and to the extent that it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

3.19 Notices

3.19.1 Any notice given by one party to the other pursuant to this contract shall be sent to other party by Email and confirmed in writing to the other party's address specified.

3.19.2 A notice shall be effective when delivered or on the notices effective date, whichever is later.

SECTION IV - SPECIAL CONDITIONS OF CONTRACT (SCC)

- 4.1 Special conditions of contract shall supplement the general conditions of contract, wherever there is a conflict between the GCC and the SCC, the provisions of the SCC herein shall prevail over those in the GCC.
- 4.2 Special conditions of contract with reference to the general conditions of contract.
